ST. ANNE'S SHRINE, FISKDALE, MASS.

In 1871 a little church was built on a hillside overlooking the village of Fiskdale by Monsignor Boudrot, then pastor of Notre Dame, Southbridge, Mass., for the dual purpose of honoring St Anne and accommodating the Catholics of the village. A few years later a relic was obtained from St Anne de Beaupre, Canada. This relic placed in the church is venerated by thousands yearly.
